

CONSTRUCTION STATUS REPORT

2023 Street Improvements Project
Loretto, Minnesota

STATUS REPORT NO. 19

September 13th, 2024

This report will provide an update on the construction status of the 2023 Street Improvements Project and the events that have transpired to date.

Hillview Lane Work:

- The contractor is anticipating working storm sewer on Hillview Lane the week of September 16th. While storm sewer is being installed the portion of Hillview Lane north of Loretto Street will be closed.
- The Loretto Street/Hillview Lane intersection will remain open during this work.
- To get to County Road 19 residents will need to continue to use either Loretto Street or Railway Street to get across County Road 19 which they can then follow the existing County Road 19 detour. These detours will either route on County Road 19 or will be on St. Peter Street to Lorenz Street to County Road 19. Delays are to be expected as County Road 19 is an active construction site.

WORK COMPLETED FOR THE WEEK BEGINNING September 9 through September 13, 2024

- Placing sand and gravel in the Hillview Lane/Loretto Street intersection
- Seeding the remaining areas along Meadow Drive

WORK SCHEDULED FOR THE WEEK BEGINNING September 16th, 2024

- Storm sewer installation along Hillview Lane north of Loretto Street
- Continuing placing sand and gravel along Hillview Lane

****SCHEDULE WEATHER PERMITTING****
