

City of LORETTO
Overweight Vehicle Permit

Construction **NON CONSTRUCTION**

Overweight permits are permitted within the City of Loretto.

All City Roads are posted at a maximum of 4-ton per axle weight limit unless otherwise posted. Permits will be granted to allow up to 6-ton per axel weight limit.

The following vehicles will be exempt from the permit process: Milk trucks, farm feed vehicles, school buses, recycling trucks and garbage trucks.

Any person not holding a valid permit, who violates a posted load restriction, shall be guilty of a misdemeanor and subject to the penalty established by MN Statue 609.02. as amended: Together with a civil penalty payable directly to the City, equal to the value of the damages caused by such violation.

	<u>FEES</u>	
Daily Permit		\$50.00
Agriculture		\$50.00

All charges are per truck and are restricted. Emergency includes septic, liquid propane and similar. Special Permits are given as per Public Works Director Jeff Leuer.
